

Can Undergraduates Take Graduate Courses?

See college.as.virginia.edu/advisors_adviseandenroll

Undergraduate students wishing to enroll in College courses beyond the 5999-level should complete the "6000 Form" for the appropriate semester. Forms are available in Monroe Hall. Students will need to seek permission from the instructor, the Director of the Undergraduate Major Program and the Dean of the Graduate School of Arts and Sciences whose signatures are required on the form. Courses in other schools must be approved by the instructor and the department chair. Signed forms should be submitted to Monroe Hall for final approval.
